**Commented [DT4]:** Is this is the right company name?

**Commented [RM5R4]:** No. Please modify the company name as we discussed.

**Commented [DT6R4]:** Modified the company name.

**Commented [DT7]:** Please modify the address like below,

9-8 Sekimai Musashino-shi,  
707 Oxford Rd,  
Kaloadagatan, Göteborg,  
Sweden.

The Northwind sample database (Northwind.mdb) is included with all versions of Access. It provides data you can experiment with and database objects that demonstrate features you might want to implement in your own databases. Using Northwind, you can become familiar with how a relational database is structured and how the database objects work together to help you enter, store, manipulate, and print your data.
